PARENT TESTIMONIES

"Ang Yu Jun has learned so much from the pre-school program. The minute he started at GCC, which was at the age of 3, we saw changes in him. He is more confident & independent. He loves all his pre-school teachers and talks about them till this day."

"Awesome! Not an ordinary tuition centre but a fun place for daycare too! My girls like the super delicious food & friendly teachers who can coach them homework. They learn to independently plan their time well! They told me "Mommy, you don't need to rush from work to fetch me home, because I want to have more time to play with my friends in R&R!"

"7 years ago, we chose GCC Jalan Ipoh for my first born child. Results have been proven as Li Ying has excelled in her academics. Even her primary school teachers praise her for her good character in learning. Thank you teachers of GCC Jalan Ipoh for your patience in teaching and to GCC Group of Schools for continually improving."

"Irfan joined FunStation when he was 21 months old. We were worried about his development as both of us speaks a different language with him. We decided to find him a learning center to start his learning journey. At the first glance of FunStation, we were very comfortable as it provides a systematic and fun learning environment for toddlers. We immediately enrolled Irfan and found out that he is able to get along within just two days of class! He loves to go to the center and we do see his improvements day by day! Thank you to all teachers, Ms Kiew, Ms Kartika and especially Ms Marcia who kept close follow up with us! Thank you for teaching Irfan self-feeding, social skills, self-disciplines and more. Funstation is AWESOME!"

"We are delighted that GCC has a caring and nurturing environment. The teachers take pride in developing a special relationship with the children and they are very aware of each child's differing needs. We appreciate Rui Tian and Rui Bing's class teacher who constantly share not only their learning progress but also their hilarious and playful moments. Their communication in English and overall social skills have been improving. They have become more confident and independent during their time at GCC. Now, they tend to have a much more positive attitude."

We thank everyone again at GCC for the memories and continual guidance for our children."

"We are pleased to submit our testimonial to you to show our appreciation to each and everyone of you who are doing very, very well in GCC. One of the best decisions we have ever made as parents was sending both our sons, Zun Yi (8 years) and Zun Xing (4 years) to GCC - a fantastic school with passionate teachers and amazing staff. We were delighted with its supportive and nurturing environment where children can learn and explore through play. The personal attention, guidance and encouragement given to our children have made them to become much more confident and independent. Our boys have progressed well and they have really enjoyed their time at school. Thank you GCC for providing a fun-filled educational start in their life!"

Parents of GCC Prima Sri Gombak

"Noah and Emma have been very happy going to Si Manja Canggih. Their teachers demonstrate a lot of empathy and understanding towards our children's needs. Teachers are also very concerned of our children health and overall well-being which gives us confidence that our children will be well taken care of. Thank you Ms Yasotha for doing a splendid job on making sure our children adjust comfortably to the new environment."
